Dear **Tee Rogers**,

Congratulations! This is your official notification that your application for endorsement as a **Humanist Celebrant** has been approved. As such, you assume all the responsibilities and are to be afforded the recognition, respect, and legal rights enjoyed by clergy of traditional faiths. You are now endorsed until **10/31/2028**.

Endorsed Humanist **Celebrants** are the clergy of the Humanist Society, allowing them to legally perform weddings under the jurisdiction of the law within their state (and/or the state where the ceremony will take place) and subject to “clergy” confidentiality. This position is distinguished by a special ethical commitment to serve all and exploit none. The Humanist Society, a non-profit corporation of the American Humanist Association, was originally incorporated as a religious organization in California in 1939, and was reincorporated in Washington, DC in 2019. Its Humanist Society Board of Directors endorses Humanist professionals through a process equivalent to that of ordination in a traditional religious body.

On behalf of the Humanist Society Board of Directors, I want to thank you for your continuing support of our endorsement program. Should you need anything or have any questions, do not hesitate to get in touch with me by phone, email, snail mail, or fax.

All the best,

A handwritten signature in black ink that reads 'Becca Ray'.
